

Pyre Terms of Service

Last Updated: 16/3/2025

1. License Usage

- Each license is issued to a single user only. Sharing, reselling, or transferring licenses is strictly prohibited.
- If our systems detect unauthorized sharing or multiple users accessing a single license, the license will be revoked without a refund.

2. Restrictions on Use

- You may not use Pyre to reverse-engineer, decompile, or attempt to disrupt Pyre's functionality.
- Exploiting the PyreI1 algorithm to produce undefined results or interfere with Pyre's operations is prohibited.
- Any attempt to bypass security measures, modify, or distribute Pyre without authorization will result in license termination and potential legal action.

3. Refund Policy

- All sales are final. Refunds will not be granted under any circumstances, including dissatisfaction with the service.

4. Reviews and Feedback

- Negative reviews must be substantiated with solid, verifiable proof of product failure.
- Any false, misleading, or baseless negative reviews may result in license termination.

5. Account Management

- To permanently delete your Pyre account, contact support@pyre.gg.

6. API Key & IP Whitelisting

- Pyre enforces a strict one-user-per-API-key policy through IP whitelisting.
- Sharing or exposing your API key publicly is at your own risk. Pyre is NOT responsible for unauthorized access if your API key is compromised.

7. GDPR Compliance & Data Privacy

- Pyre complies with the General Data Protection Regulation (GDPR) to protect user privacy and data security.
- We do not log, store, or retain any user-submitted files. All files are processed at runtime for decompilation, disassembly, or analysis only.

- User data is not shared with third parties, and all processing occurs in a secure, transient manner.

- Users have the right to request information about their data processing and request deletion in compliance with GDPR guidelines.

8. Amendments

- Pyre reserves the right to modify these terms at any time. Continued use of Pyre constitutes acceptance of any revised terms.
